JEALOUS HUSBAND SHOOTS HIS WIFE AND THEN HIMSELF

Philadelphia, Oct. 16. — Charles Morrell, 22, shot and seriously wounded his wife, Kathryn, 21, and then attempted to commit suicide here today, according to police.

The young couple were rushed to the St. Agnes hospital. Mrs. Morrell is expected to recover from three bullet wounds, while her husband, who shot himself in the head, is not expected to live.

The shooting was the climax of many quarrels which caused the separation recently. Police said that jealousy on the part of Morrell caused the tragedy.

TO CLAIM THE BEST WHITE WAY IN THE STATE

Connellsville, the birthplace of the West Penn Power Company, is to be one of the best lighted towns in America, according to the press of that place.

The city council of Connellsville has practically negotiated a contract [illegible] the present system and the installation of 60 1,000 candlepower, white way unit lights, 29 of 600 candlepower, 165 of 250, and 175 of 100 candlepower. All the present lights of 80 candlepower will be eliminated.

The new arrangement, as presented by the West Penn Power Company, distributes the increased candlepower lights throughout the city, illuminating every dark spot and making the present bright spots as daylight. The cost of the new system will run a little more than $18,000 per year, or an increase over what Connellsvillites call the "present obsolete system," of approximately $7,000 per year.

Caravan Of League Due October 20

Washington County women are eagerly looking forward to the arrival of the "Get-out-the-Vote" Caravan of the Pennsylvania League of Women Voters which is due in Washington, Monday, October 20. at 11 a. m. Washington county men and women will meet the Caravan as it draws near. Following a public meeting at Washington, the Caravan will proceed to Greensburg. On the [illegible] day, the Caravan is due in New Kensington and Kittanning.

The Caravan started from Independence Square, Philadelphia, at noon on October 1. The start was preceded by a public meeting on the historic square addressed by Mayor Kendrick. Roland S. Morris, former Ambassador to Japan, Mrs. George Horace Lorimer, president of the Republican Women of Pennsylvania, Mrs. Marie O'Connell, one of Philadelphia's Registration Commissioners, Mrs. John O. Miller of Pittsburgh and Mrs. Charles M. Lea of Doven, Director of the Caravan. As the Caravan moved for its thirty-one day tour of the state, for the purpose of arousing the electorate to the patriotic importance of the vote, airplanes from the Philadelphia Navy Yard, at the direction of Secretary of the Navy Wilbur, "bombed" the city with patriotic literature.

Between 150 and 200 gaily decorated cars, with the colors of the flag predominating, made up the Caravan leaving Philadelphia. As county after county is reached in the tour across the state and return, the Main Caravan will be joined by local caravans of welcome. Leading the Caravan is the famous Justice Bell, a bronze replica of the Liberty Bell, which stirred up so much enthusiasm in the suffrage campaign. The Justice Bell will be in charge of Mrs. Charles W. Ruschenberger of Strafford, who donated the bell originally to the suffrage forces.

The object of the Caravan is to dramatize the "Get-out-the-vote campaign which aims at increasing the number of voters who cast their ballots in the coming Presidential election. It is hoped that at least 25 per cent more voters will take part in the coming election than did in the election of four years ago.

"Billy" Gass, three-year-old son of Mr. and Mrs. Roland Gass of 221 Lookout avenue, miraculously escaped serious injury or perhaps death, yesterday afternoon, when he fell headlong down the steep steps in front of the Gass home.

The lad [illegible] about, when, in some manner, he slipped and fell to the bottom turning completely over twice in his fall. Clark E. He found the boy lying unconscious at the foot of the steps and carried him into the lad's home, where a physician was called and administered to his hurts. After a thorough examination it was found that fortunately no bones were broken, but the boy is badly bruised and lacerated. He spent a rather restless night, but is feeling better today.

C. Mountser, at her home in Lincoln avenue yesterday afternoon from two to five o'clock. Assisting Mrs. Mountser were Mrs. Athalia McKean and Mrs. Frank W. Might, Mrs. Nathan Greenberg, Mrs. Roy I. Carson, Mrs. S. W. Sharpnack and Mrs. Bruce K. Barnett.

The prevailing decorations were very beautiful, a large centerpiece of yellow and white autumn flowers and crystal candlesticks with yellow candles gracing the tea table, while similar flowers were used to decorate each of the lower-floor rooms throughout the Mountser home.

A musical program was carried out. Mrs. Earl Nicholson gave a group of three songs, "The Hand of You," "Were I," and "I Love You Truly," by Carrie Jacobs Bond, in a pleasing manner, Mrs. George C. Fetty playing the piano accompaniment, while Mrs. John Metz sang one number, "Morning," Speaks, which was much appreciated, Mrs. T. G. Barger being her sister's accompanist. The program was closed by a piano duet given by Mrs. W. Gray Gaut and Mrs. T. G. Barger. Guests numbering 75 enjoyed the hospitality of the Mountser home during the afternoon.

The articlels which were donated were arranged on tables, where a committee in charge was listing and preparing for distribution, the same, all of which go to the deserving poor within our community and to the local hospital.

DONORA WITHDRAWS IN SCOUT MOVEMENT

Action Said Due to Belief On Borough's Part That the Territory Which Embraces Four Towns Too Large For Executive

DROPPED OUT OCTOBER 1

Despite Fact That the Contract Between Towns Does Not Expire Until March 1, 1925—Belief Exists That Towns Will Run Own Organization

Donora has withdrawn from the Monongahela Valley Boy Scout movement, having made the fact known at the last meeting of the General Council of the four towns held in Monessen.

The action is said to be due through virtue of the fact that Donora believes the territory which embraces Charleroi, Monessen, Donora, and Monongahela is too large and the labor incident thereto too great and strenuous to be handled by one executive.

It is alleged there has been some dissatisfaction for some time, and it is said that it has been generally known that some action would be taken at the next meting of the General Council, which is comprised of business and professional men of the four towns.

Donora dropped out October 1, despite the fact that the contract between the towns does not expire until March 1, 1925. The general budget will be effected to the amount of approximately $800.

The Donora representatives are of the opinion that the Scout movement can best be handled by the individual communities, and it is likely that as soon as the present arrangement and agreement expires, that all of the towns interested will carry on the work with their own organizations.

Charleroi and North Charleroi have both good Boy Scout movements. Their numbers are being amplified from time to time, and the Scouts have done and are doing, a good work here. They are well disciplined and take the instruction imparted to them with eagerness, and are well versed in the work relative to Scoutdom and its multitudious duties.

ARMISTICE DAY TO BE OBSERVED WITH BIG PARADE

Elaborate plans are being made by the Armistice Day committee in Pittsburgh, representing all soldier organizations of Allegheny county for a monster parade November 11, in observance of the signing of the Armistice. [illegible] Army, Navy and Marine Corps have been invited for the occasion, in addition to the National Commanders of the American Legion, Veterans of Foreign Wars, G. A. R., Union Veterans Legion, 80th Division Veterans Association and other organizations.

In order to cooperate with many of the boroughs which have arranged for local celebrations in the afternoon the parade will be short, through the business section, and completed about noon, so that the veterans can participate in the various other affairs scheduled for the day. Uniforms will be optional and those who desire may march in civilian clothes.

In the evening, the American Legion will hold a military ball in the William Penn hotel, and the 80th Division Veterans Association will give an informal reception and dansant in the Fort Pitt hotel in honor of President Frank Schoble, Jr., President of the Association, and Brigadier General Lloyd N. Brett, wartime leader of the 160th Infantry Brigade, composed of Western Pennsylvania men.

RADIO HELPS TO CAPTURE YOUTHS

Two youths from Collier, near Uniontown, who decided to leave home and go out and battle against the world, were overtaken at Washington last night by a radio message.

The lads, Charles Ward, aged 15 and John Phimeck, aged 14, were found sleeping at the Brookmon hotel after Mack White a radio fan had picked up a message stating that the boys had left home and that their parents were anxious to locate them.

Lieut. Joseph Verderber aroused the lads, took them to the police station, and notified their parents their location. They will be taken back to their homes today.

Scores Are Killed In Fighting Between Forces At Canton, China

BULLETIN.

Canton, China, October 15.—Scores have been killed and injured in severe fighting between the Merchants' Volunteer Corps and Sun Yat Sen troops which continued here tonight.

Many buildings were afire and shooting in the streets was almost continuous.

Two foreigners were reported to have been shot by stray bullets which flew into the foreign compound. Gates to the foreign quarter were closed tonight.

Merchants' pickets kept up a continuous sniping as troops of the South China dictator attempted to restore some semblance of order in the city. One group, stationed on top the ten-story Sun building, fired on a party of firemen attempting to quench flames devouring smaller buildings nearby and defied all efforts of the soldiers to [illegible]

The Canton merchants have been on strike for several weeks following a dispute with Dr. Sun, and several weeks ago organized a volunteer corps to protect their property. Sun demanded that the corps be dissolved and the merchants then declared a strike which led up to the present fighting.

The trouble is not directly related to the fighting in Shanghai and North China.

GAS STRIKE MADE ON OIL PRODUCER

Drilled deeper, a showing of gas, estimated at 1,000,000 cubic feet per day, has been secured at a well on the Conklin farm in North Strabane township, which for 40 years has been producing oil from the 50-foot sand.

The well was drilled deeper by Todd M. Conklin and his associates. The gas strike was made in the Gordon sand. It will be sunk to the lower sands, with the hope that the production will be increased.

Milk Not Pasteurized All Cows Must Be Tuberculin Tested

Coming here to assist the Charleroi and the North Charleroi boards of health, William W. White, assistant in Division of Milk Control, State Department of Health, has been making quite an exhaustive survey of milk conditions as they relate to the boroughs. Mr. White will be here today, after which he will go to Jeannette, but will return to Charleroi next week, Tuesday, at which time he will deliver an address before the Washington County Health Boards association at their meeting in the Municipal building.

In conversation with Mr. White the gentleman said in part that he, with the assistance of Health Officer William M. Darby, had been examining [illegible] dealers; and after stressing the fact that milk must be pure and free from contaminated element of any description, Mr. White averred that milk dealers who do not pasteurize their milk must have their cows or herds tuberculin tested; this is compulsory through state law, and the state authorities make it obligatory on the local health boards to see to it that the mandate is carried through to the letter of the law. Any farmer who [illegible] to comply with [illegible] law and have his cows tubercular tested can make application to the Bureau of Animal Industry at Harrisburg.

There are only two of the upwards of 30 dealers dispensing milk in the borough who pasteurize their milk. Milk through this process must reach 145 degrees Fahrenheit, and must be cooled for 30 minutes before being bottled. By this method, germs, if any exist, will be killed.

Mr. White said that it was imperative that people handling milk, or selling milk, be free from disease of any character. They must have a certificate from a doctor stating that they are in good health; and further, he said that any person receiving examination and a card of good health from a medical practitioner for 50 cents, was not examined as required by law; that the milk disposed of to the public must not only be pure, but the person handling and selling the same must be able to show a bonafide certificate that he is in good health.

The gentleman also said that there are too many people handling milk in the boroughs, and that does not conduce to public [illegible]

LEST WE FORGET.

The United States is, today, the greatest nation in the world, and YOU can keep it so if YOU will vote on November 4; its standards of living are the highest and the opportunities it affords are the greatest.

Do not take it for granted that your vote will not be needed for if millions held that thought there would only be the votes of the radicals and the "reds" (and they always vote) to count.

You are not only voting for the children and their chances when they grow up. You can by voting for what is best and decent help them as well as yourself.

You can register your desire to show those who want Europe to benefit at our expense that you are for the country that gives the greatest chances in the world to all those who really want to succeed.

Of course, if the weather is not good in your section of the country on election day, it may be more comfortable to sit near a cozy fire, but would you not rather get your feet wet one day than be in hot water for four years? Business gone, low wages, poor prices and the misery of bread lines, soup kitchens, no work, and the suffering that goes with it. It is not only what is best for your country, but also what is best for you.

If you go to the polls early, you will have the pleasure of knowing that you have done your duty to your country. Let us show the world how many voters we really have.

Lest we forget: Election day is November 4.

BRYAN BROTHERS AND BUST.

Coolidge or Bryan is the recognized issue in Middle Western States, and it should be so understood all over that there is a working agreement between Democrats and LaFollette leaders to strengthen each other's hands so as to deny Coolidge a majority and throw the election into Congress, where the President would be instantly eliminated from the contest. Mr. Davis is probably only a passive accomplice in the plot, but Brother Charles is an active participant. Should a deadlock in the House of Representatives occur, as is likely, Mr. Bryan would be the logical choice of the Democrat-Radical combination that controls the Senate, and as Vice President he would succeed to the Presidency when March 4 is reached with no President chosen. Let each voter ask himself whether he prefers President Coolidge or the Bryan Brothers in charge of the government, and vote accordingly.

THE OFFICE CAT

There are too dawgone many men who think that their praying to God on Sunday forgives them for preying upon their fellow men the rest of the week.

"I'm not much of a mathematician," said Carelessness, "but I
Can add to your troubles,
Can substract from your earnings,
Can multiply your aches and pains,
Can divide your attention,
Can take interest from your work,
And discount your chances for safety."

Strange that so many big concerns persist in using newspaper advertising when many small town merchants could tell them that advertising don't pay.

It is a good deal better to begin at the bottom than to end there.

Fairmont Clashes Here Tomorrow With The California Normal Eleven

Fairmont Normal, which meets California here Friday of this week has the strongest team in her history. With victories over Bethany Freshmen and Wesleyan Freshmen Fairmont is making a strong bid for the Tri-State Normal School Championship. California is badly crippled with Captain Brown out for the season. Fellows, Aschman and Young are being groomed for the full back job but none of these lads have shown any decided punch as yet.

Coach Allison is not trying to conceal his plan of attempting to score by way of the forward pass. In the talk to the team Monday the forward pass attack was emphasized. One pass was completed against Kiski for fifteen yards and two against Pitt for a gain of thirty five yards. This is a perfect average so far and from now on in California hopes to use the open game to better advantage. The West Virginia team will, no doubt, be hard pressed to stop the passing of Wolf, the Warren, Pa., basketball star.

"Red" Kennedy, Bruce, Brown, Wagner and Sladdin, five of the best men in their class of Prep school football will all be on the sideline Friday and if the Normal wins it will be through the strength of the second string material. At any rate fans of the valley will no doubt witness a nice exhibition of the modern open game as West Virginia teams are noted for their aerial attack and California must resort to the air to score.

The following lineup is expected to start the game:

L. E.—Channing.
L. T.—Haude.
L. G.—Fee.
C.—Haug.
R. G.—Linquist or Fellows.
R. T.—Griffith.
R. E.—McMunn.
Q. B.—Weaver.
R. H.—Smith or Carson.
L. H.—Gillis.
F. B.—Aschman, Young or Fellows.

The Normal record so far:

West Liberty Normal 6, California, 14.

Kiski 0, California 6.

Pitt Freshmen 25, California 0.

BALLERINO IS KNOCKED OUT BY SULLIVAN

Kid Sullivan, who has been referred to as a title holder of little class, stepped into the ring at Madison Square Garden last night to prove to 10,000 fans that he is quite capable of defending the world's junior lightweight championship.

The "kid" knocked out Mike Ballernio, challenger, after 38 seconds of fierce fighting in the sixth round of a scrap that was scheduled to go fifteen rounds.

Before Ballerino rolled over for the long count he had been floored twice once for the count of five and again for the count of eight. Had he taken thecount of nine when he was splashed into the resin just for the first time he might have weathered the round but became up staggering at five and wobbled into a swift right hook that lowered him again.

WAYNESBURG TO PLAY GROVE CITY SATURDAY

Waynesburg, Oct. 16—Waynesburg will be the scene of the outstanding minor college game of the day in the tri-state district next Saturday when the Waynesburg, who has not been beaten, and Grove City elevens will clash in a struggle that will have a decided bearing on the Class B championship campaign and the largest crowd that ever attended a football game in the Greene county capital seems certain to be on hand when the Yellow Jackets and Charley Bowser's big Crimson eleven renew their annual meeting on the barred rectangle here Saturday afternoon.

The kickoff is scheduled to take place at 2:00. Approximately 2,500 persons witnessed the Broddus game here last Friday and Graduate Manager Clyde M. Call is expecting the attendance figures at Saturday's game to pass the 5,000 mark.

Opening of
AUTUMN MILLINERY

When our buyer returned from the East several weeks ago, she brought back interesting tales of the chic of new Fall Hat modes. But not until lovely versions, some of them almost quaint in their Directoire fashionings, began to arrive from Rebaux, Maria Guy, Jane Blanchot and Agnes did we ourselves realize the significance of the utter charm of these new Fall Hats. They are assembled here for your inspection and approval. Our Fall Millinery opening begins today. There are faultless styles for every type, priced

MATCH BETWEEN FAY AND STRIBLING SEEMS TO BE OFF

H. Kenneth O'Kane, writing the Mail, says:

"Inasmuch as Young Stribling, if reports are to be believed, has laid aside the gloves to pursue his studies, the match proposed between Harry Fay and Young Stribling seems to be off. The news that Stribling is to recuperate through the study method, will not be pleasing to Fay, the former Charleroi, McKeesport and of recent date, Louisville, Ky., as Harry has been trying to get a match with Stribling for some time.

"Fay beat Paul Berlenbach, while the two were in the amateur ranks, and as Stribling beat the former wrestler in the pro ranks, a match between Fay and Stribling would interest the Charleroi fight fans very much."

SICK WOMAN MADE HAPPY

Entirely Restored to Health by Lydia E. Pinkham's Vegetable Compound

Mart, Texas.—"I have taken Lydia E. Pinkham's Vegetable Compound to build me up as I was all run-down, nervous and sick. I ached and hurt all over so that I was often compelled to go to bed, and I had to have most of my work done. No medicine seemed to help me until one of my neighbors who was taking the Vegetable Compound insisted on me trying a bottle of it. The medicine helped me from the first, and the best of all is that I can even sew again without that awful, nervous feeling I was used to having. And I used to take crying spells, with such a blue feeling that I cannot explain. Now all that has left me. I feel so cheerful, and I have gained in weight, sleep well and eat hearty. Oh! I wish I had words to express what this medicine has done for me! I am a housekeeper and do everything from the sewing to the washing now and it doesn't hurt me. You may use my letter in any way you wish. I will be glad to help any suffering woman to the road of health and happiness."—Mrs. B. F. BRANNON, 404 Travis Ave., Mart, Texas.

WILLOW CASE GOES TO THE JURY LATE TODAY

Middleburg, Pa., October 15.—The final day of her trial as an accessory in the murder of her husband, found Mrs. Annie Willow buoyant with the belief that she will be acquitted of the crime she was charged with sharing with Ralph Shadle, the farm boy, who must serve from 10 to 20 years for killing his employer. The case is expected to go to the jury late today.

In her dramatic testimony on the witness stand yesterday the "Gypsy woman," who was condemned by the people with whom she came in daily contact, actually moved many of them to tears as they sat in the court room listening to her story of domestic unhappiness.

"It was not wrong for me to love Ralph when Harvey was so cruel to me," she told the jury and some of the men nodded with sympathetic understanding. The court, however, became somewhat unruly during this phase of the testimony and Judge Potter had to wrap for order.

Mrs. Willow denied that she had confessed to being a "partner" in the crime with Shadle.

"I never told Ralph to shoot Harvey," she flung defiantly at the question of their alleged conspiracy to murder Willow the morning after he was said to have threatened their lives.

"The morning after Harvey threatened to shoot me, I told Ralph of it," she testified.

"I explained how he came into my bedroom, held a shotgun to my head and threatened to kill me if Ralph and I didn't stop loving each other. I pulled the bedclothes over my head and told him to kill me, but he didn't have the nerve," the woman continued describing the culminating incident of their domestic life. At one time, she said, Harvey threw an axe and struck her on the cheek. A broad, livid scar was exhibited to show the effect of this, one of many brutal acts of her husband described to the court.

"He kicked me against the hot stove one noon because I said I was too weak to help the men cut corn," the woman testified. And then when she reached the point where Ralph Shadle came to their household she wound up with the dramatic flourish:

"But Ralph tempted me. I didn't tempt him. It was his fault that we fell in love."

This was Mrs. Willow's crowning statement. Ralph winced under the blow, but smiled. He had only one opportunity to contribute to the case against the woman he once loved. He answered only to establish the fact that Harvey Willow was shot by him while hunting rabbits in the woods and that no one else was along.

A delicious luncheon served by the hostess with the assistance of Mrs. Lawrence Stech, brought the pleasant evening to a close.

Miss Kathryn Goldsmith, one of Charleroi's most graceful and talented dancers, displayed a very fine example of her skill in this art last evning at the Turner hall, where a mass meeting was held by the La-Follette-Wheeler Booster club. Miss Goldsmith appeared attired in a Spanish costume in the role of Bermuda Toncella and gave a highly pleasing tambourine dance with the piano accompaniment played by her sister, Mrs. Mary Smith, who recently returned from an extended tour of Europe. The little dancer was cheered by the large attendance that crowded the hall to its full capacity. Many of the audience expressed their pride in Charleroi's home talent, of which Miss Goldsmith is an example.

The Gothic Literary club held its first meeting of the new year in the community room of the Elks club Tuesday evening. A large number of members were present and a welcome was extended to the new members, Mrs. Edith Piersol Blau, Misses Fllen Clark, Hazel Carson, Jean Eagye, and Isabel Coulson. A delicious luncheon was served in the dining room with Mrs. Mary Harringto nand Miss Edna Welch as hostesses.

The Largest Waterfall

Kaieteur falls towers 741 feet from brink to kettle, and is taller than Niagara falls and the Washington monument together. It is the largest waterfall in the world and is hidden away in a jungle in the heart of British Guiana. The Potario river, which tumbles over this drop, is 369 feet wide and slopes off 81 feet more below Kaieteur. Few white men have seen this "Sight for the Gods."—Science and Invention.

Too Ambitious

The colonel was delivering an address to junior officers up for examination. He dwelt with much emphasis on the fact that each officer should devote the intervening time to prepare for the final examination. "The examination papers are now in the hands of the printer. Are there any questions to be asked?" Silence prevailed. Suddenly a voice from the rear quietly inquired: "Who's the printer, sir?"
